PART I Creating a Road Map: Big Ideas of Coaching, Teaching, and Learning

<i>Chapter 1</i>		COACH'S TOOLKIT	25
COACHING FOR MATHEMATICAL PROFICIENCY	3	2.1 <i>Shifts in Classroom Practice</i>	
Leading for Mathematical Proficiency (LMP) Framework	3	Self-Assessment	26
Coaching Cycle	11	2.2 Essential Planning Questions for Effective Teaching	28
Getting Started	13	2.3 Practices, <i>Shifts</i> , and Zones (Oh My)	29
		2.4 Mathematical Practices by Design	30
<i>Chapter 2</i>		2.5 Lesson Plan Template	32
IMPLEMENTING EFFECTIVE TEACHING	15	2.6 Mathematical Practice Look Fors	34
COACH'S DIGEST	15	2.7 <i>Shifts in Classroom Practice</i>	36
Overview of Implementing Effective Teaching	16	2.8 Effective Teaching Look Fors	38
Coaching Considerations for Professional Learning	19	2.9 Noticing Mathematical Practices	40
Coaching Lessons From the Field	19	2.10 Mapping Teaching Moves to <i>Shifts in Classroom Practice</i>	41
Coaching Questions for Discussion	21	2.11 Effective Teaching of Mathematics	42
Where to Learn More	23		

PART II Exploring Zones on the Journey: Professional Learning Focus Areas

<i>Chapter 3</i>		Overview of Content Knowledge and Worthwhile Tasks	46
CONTENT KNOWLEDGE AND WORTHWHILE TASKS	45	Coaching Considerations for Professional Learning	50
COACH'S DIGEST	45	Coaching Lessons From the Field	51

Connecting to the Leading for Mathematical Proficiency (LMP) Framework	51
Coaching Questions for Discussion	55
Where to Learn More	57

COACH'S TOOLKIT 59

3.1 Connecting <i>Shifts</i> to Content and Worthwhile Tasks Self-Assessment	60
3.2 Connecting <i>Shifts</i> to Content and Tasks	62
3.3 Focus on Fluency	63
3.4 P.I.C.S. Page	64
3.5 Analyzing Level of Cognitive Demand	65
3.6 Worthwhile Task Analysis	66
3.7 Developing Mathematical Proficiency	67
3.8 Implementing Cognitively Demanding Tasks	68
3.9 Impact on Students' Emerging Fluency	69
3.10 Reflecting on Task Implementation	70

Chapter 4

ENGAGING STUDENTS 71

COACH'S DIGEST 71

Overview of Engaging Students	72
Coaching Considerations for Professional Learning	74
Coaching Lessons From the Field	75
Connecting to the Leading for Mathematical Proficiency (LMP) Framework	75
Coaching Questions for Discussion	79
Where to Learn More	80

COACH'S TOOLKIT 83

4.1 Connecting <i>Shifts</i> to Engaging Students Self-Assessment	84
4.2 Total Participation Technique (TPT) Planning	86
4.3 Planning for Cooperative Groups	87
4.4 Engagement Techniques	88

4.5 Cooperative Groups Data Gathering	89
4.6 Engagement Techniques Discussion Prompts	90
4.7 Reflecting on Cooperative Groups	91
4.8 Analyzing Learning in Cooperative Groups	92

Chapter 5

QUESTIONING AND DISCOURSE 93

COACH'S DIGEST 93

Overview of Questioning and Discourse	94
Coaching Considerations for Professional Learning	97
Coaching Lessons From the Field	98
Connecting to the Leading for Mathematical Proficiency (LMP) Framework	99
Coaching Questions for Discussion	103
Where to Learn More	105

COACH'S TOOLKIT 107

5.1 Connecting <i>Shifts</i> to Questioning and Discourse Self-Assessment	108
5.2 High-Level Thinking Questions	109
5.3 Questioning Across Lesson Phases	110
5.4 Questioning Across Lesson Phases (Focus on Productive Struggle)	112
5.5 Bloom's Taxonomy (Revised) and Mathematical Knowledge	113
5.6 Questioning Patterns	114
5.7 Wait Time	115
5.8 Productive Discussions and Talk Moves	116
5.9 Question and Discourse Discussion Prompts	117
5.10 Reflecting on Bloom's Taxonomy (Revised) and Mathematical Knowledge	118

Chapter 6

FORMATIVE ASSESSMENT

119

COACH'S DIGEST

119

Overview of Formative Assessment 120

Coaching Considerations for Professional Learning 122

Coaching Lessons From the Field 123

Connecting to the Leading for Mathematical Proficiency (LMP) Framework 124

Coaching Questions for Discussion 128

Where to Learn More 130

COACH'S TOOLKIT 133

6.1 Connecting *Shifts* to Formative Assessment Self-Assessment 134

6.2 Planning for Five "Key Strategies" for Formative Assessment 135

6.3 Developing Questions to Target Misconceptions 136

6.4 Using Rubrics for Formative Assessment 137

6.5 Observing and Providing Feedback 138

6.6 Observing Students' Thinking 139

6.7 Observing Students' Representations 140

6.8 Brief Formative Assessment Interview 141

6.9 Five "Key Strategies" for Formative Assessment Data Collection 142

6.10 Using Rubrics for Formative Assessment 143

6.11 Analyzing Formative Assessment Key Strategies 144

Chapter 7

ANALYZING STUDENT WORK

145

COACH'S DIGEST

145

Overview of Analyzing Student Work 146

Coaching Considerations for Professional Learning 149

Coaching Lessons From the Field 149

Connecting to the Leading for Mathematical Proficiency (LMP) Framework 150

Coaching Questions for Discussion 153

Where to Learn More 154

COACH'S TOOLKIT 155

7.1 Connecting *Shifts* to Analyzing Student Work Self-Assessment 156

7.2 One Day/Many Artifacts Planning 158

7.3 Planning Task Implementation 159

7.4 Understanding Student Thinking 160

7.5 Analyzing One Student's Work 161

7.6 Analysis of Students' Misconceptions 162

7.7 Collaborative Analysis Protocol 163

Chapter 8

DIFFERENTIATING INSTRUCTION

FOR ALL LEARNERS

165

COACH'S DIGEST

165

Overview of Differentiating Instruction 166

Coaching Considerations for Professional Learning 169

Coaching Lessons From the Field 170

Connecting to the Leading for Mathematical Proficiency (LMP) Framework 170

Coaching Questions for Discussion 173

Where to Learn More 174

COACH'S TOOLKIT 177

8.1. Connecting *Shifts* to Differentiated Instruction Self-Assessment 178

8.2 Student Diversity 180

8.3 Meeting Individual Needs 181

8.4 Different Ways to Differentiate a Lesson 182

8.5 Opening Closed Tasks 183

8.6 Focus on Five 184

8.7 Differentiating Instruction 185

8.8 Learning From Focus on Five 186

8.9 Impact of Open/Tiered/Parallel Tasks 187

<i>Chapter 9</i>	
SUPPORTING EMERGENT MULTILINGUAL STUDENTS	189
COACH'S DIGEST	189
Overview of Supporting Emergent Multilingual Students	190
Coaching Considerations for Professional Learning	193
Coaching Lessons From the Field	194
Connecting to the Leading for Mathematical Proficiency (LMP) Framework	195
Coaching Questions for Discussion	199
Where to Learn More	200
COACH'S TOOLKIT	203
9.1 Connecting <i>Shifts</i> to Supporting Emerging Multilingual Students Self-Assessment	204
9.2 Culturally Responsive Mathematics Instruction (CRMI)	206
9.3 Planning Strategies to Support Emergent Multilingual Students	207
9.4 Diagnostic Interview	208
9.5 Focus on Culturally Responsive Mathematics Instruction (CRMI)	209
9.6 Teaching to Support Emergent Multilingual Students	210
9.7 Reflecting on Support for Emergent Multilingual Students	211
9.8 Reflecting on Using a Diagnostic Interview	212

<i>Chapter 10</i>	
SUPPORTING STUDENTS WITH SPECIAL NEEDS	213
COACH'S DIGEST	213
Overview of Supporting Students With Special Needs	214
Coaching Considerations for Professional Learning	216
Coaching Lessons From the Field	217
Connecting to the Leading for Mathematical Proficiency (LMP) Framework	217
Coaching Questions for Discussion	221
Where to Learn More	223
COACH'S TOOLKIT	225
10.1 Connecting <i>Shifts</i> to Supporting Students With Special Needs Self-Assessment	226
10.2 Challenges and Support Structures	228
10.3 Structuring a Lesson to Support Students With Special Needs	229
10.4 Effective Teaching for Students With Special Needs	230
10.5 Implementing Support Structures for Students With Special Needs	231
10.6 Reflecting on Effective Teaching for Students With Special Needs	232
10.7 Reflecting on Structuring a Lesson for Built-In Success	233

Part III Navigating a Successful Journey: Strategies and Tools for You, the Coach

<i>Chapter 11</i>	
INTERACTING WITH COLLEAGUES	237
COACH'S DIGEST	237
Overview of Interacting With Colleagues	238
Building Trust	239

Coaching Lessons From the Field: Building Trust	240
Establishing Rapport	240
Coaching Lessons From the Field: Building Rapport	241
Listening	242

Coaching Lesson From the Field: Listening—Vignette 1	243
Coaching Lesson From the Field: Listening—Vignette 2	243
Coaching Lesson From the Field: Listening—Vignette 3	244
Paraphrasing	244
Coaching Lessons From the Field: Paraphrasing	245
Posing Questions	246
Coaching Lessons From the Field: Posing Questions	247
Where to Learn More	248

Chapter 12

PRESENTING PROFESSIONAL DEVELOPMENT 249

COACH'S DIGEST	249
Overview of Presenting Professional Development	250
Tips for Presenting Professional Development	251
Coaching Lessons From the Field	252
Where to Learn More	253
COACH'S TOOLKIT	255
12.1 Professional Development Overview Planning	256
12.2 Professional Development Planning Checklist	257
12.3 Professional Development Planning Template	258
12.4 Differentiating Professional Development	259
12.5 Evaluating Professional Development	260
12.6 Sample Professional Development Activity: Grouping Strategy (P.I.C.S. Page)	262
12.7 Sample Professional Development Activity: Grouping Strategy (Shape Partners)	263
12.8 Sample Professional Development Activity: Mathematical Practices Mini-Vignettes	265
12.9 Sample Professional Development Activity: Mathematical Practices Playing Cards	268

12.10 Sample Professional Development Activity: Questioning and the Mathematical Practices	271
---	-----

12.11 Sample Professional Development Activity: Effective Teaching Practices	275
---	-----

Chapter 13

FACILITATING PROFESSIONAL LEARNING COMMUNITIES 277

COACH'S DIGEST	277
Overview of Facilitating Professional Learning Communities	278
Tips for Facilitating Professional Learning Communities	279
Coaching Lessons From the Field	281
Where to Learn More	282
COACH'S TOOLKIT	285

13.1 Meeting Standards Self-Assessment and Reflection	286
---	-----

13.2 Facilitator Proficiency Scale	287
---	-----

13.3 Sample Facilitation Activity: Appreciative Inquiry Protocol	290
--	-----

13.4 Sample Facilitation Activity: Paraphrasing	292
---	-----

13.5 Sample Facilitation Activity: Inclusion Strategies	294
---	-----

13.6 Sample Facilitation Activity: Task Talk Protocol	295
