2014 RESEARCH CONFERENCE

April 7-9 • New Orleans, LA

Linking Research & Practice

Join your fellow researchers at NCTM's all-new 2014 Research Conference (*formerly Research Pre-session*). With enhanced support for the promotion and tenure process, you'll have even greater opportunities to:

- Receive **feedback on your work** and benefit from exposure to alternative points of view.
- Examine and discuss **current issues** in mathematics education.
- Capitalize on the collective wisdom available when **researchers and practitioners come together** to discuss mathematics education and research.
- Interact and network with beginning scholars and **veteran researchers in the field**.
